Technical drawing of a mechanical part, showing a side view and a top view.

The side view (left) shows a long cylindrical component with a flange on the left and a rounded end on the right. A dimension line at the bottom indicates a total length of 341.

The top view (right) shows a circular cross-section with a central hole and a smaller circular feature in the middle. A dimension line points to the outer diameter, labeled as $\varnothing 140$.
